

What's in Season at Jordan's Farm...

Jordan's farm, overlooking the Spurwink River in Cape Elizabeth, Maine, produces a wide variety of fresh vegetables which are available in our farm stand. Our season starts in late June with strawberries (pick-your-own as well as ready-to-go) and lasts into the fall with squashes and pumpkins. So stop by, the stand is located at 21 Wells Road in Cape Elizabeth, and is open from 9am to 7pm seven days a week.
